## Pray 1:50

Please join us in prayer at **1:50p.m.** each day when possible. We recently celebrated our 150th anniversary. By praying at 1:50p.m. we will be reminded of God's faithfulness to Zoar through the past 150 years. Also, it will be a reminder to pray for God's leadership for the present and the future as we seek a pastor for this generation and the next. The theme scripture verse will be "Luke 1:150", "**And His mercy is upon generation after generation toward those who fear Him.**" NASB
